WARRANTY AND EPIDEMIC FAILURE

If at any time during the period of **14** months from each shipping date the failure rate of the Products exceeds either **3,5%** (three point five per cent) for a single cause, which is the same type or description in the same part or component of the products, or **7,0%** (seven per cent) for multiple causes, and if such failures should appear to have resulted directly from faulty design, workmanship, components or materials, or improper manufacture or assembly (hereinafter collectively called "Epidemic Failure"), then:

- i . The BUYER shall promptly inform the SELLER of the nature of the Epidemic Failure and shall provide as many technical details of the Epidemic Failure as possible.
- ii . The SELLER, at its sole option, shall:
 - replace the defective products with new products, or
 - repair all epidemic defects at its cost, or
 - reimburse the BUYER for the costs of repairs carried out after its authorization, or
 - purely and simply accept the return of the products at its cost.
- iii . The SELLER shall not be liable for any incidental or consequential damage whatsoever arising from the Epidemic Failure(s) and in no event the liability of the SELLER hereof shall exceed the invoice price of the products

DAMAGES FOUND DURING THE UNLOADING OF THE CONTAINERS

- a. If, during the unloading of the containers, the buyer will found some units with damages caused during the container loading in the factory, the buyer must take a photos of the damaged units still inside the container and supply evidence to favor the goods are damaged during container loading in factory, instead of damaged in transportation after loading in vessel, and send a request of reimbursement to the seller together with the photos of that damaged units.
- aa. The SELLER, at its sole option, shall:
 - replace the defective products with new products, or
 - repair all the damages at its cost, or
 - purely and simply accept the return of the products at its cost.
